<sup>4</sup>So Joseph also went up from the town of Nazareth in Galilee to Judea, to Bethlehem the town of David, because he belonged to the house and line of David. <sup>5</sup>He went there to register with Mary, who was pledged to be married to him and was expecting a child. <sup>6</sup>While they were there, the time came for the baby to be born, <sup>7</sup>and she gave birth to her firstborn, a son. She wrapped him in cloths and placed him in a manger, because there was no guest room available for them. (Luke 2:4-8 NIV)

## Our Minister's Letter.....

Dear friends,

Welcome is such a powerful and positive action. I remember how warmly we were welcomed, with words, actions, cards, and gifts. Recently, a member from Ipswich Road shared with me an experience of visiting another URC church, where he was given a welcome bag. He spoke of how valued it made him feel. Inspired by this, we would like to introduce welcome bags across our Mission Partnership in the new year, as a way of greeting all who are new to our churches.

As we welcome the season of Advent, I find myself reflecting on the gifts of Hope, Peace, Joy, and Love, the themes that guide us through these weeks of waiting and preparation. Since my ordination in September and the time I have already spent among you, I have felt a deep sense of gratitude and hope. Even though there are still boxes to unpack in the manse, I am daily reminded of the blessing it is to serve within the Norwich Area URC Mission Partnership.

In such busy times, opportunities for peace can feel few and far between. My prayer is that during Advent you will find moments of stillness, whether in worship, in nature, or in the quiet corners of daily life, where God's peace may rest upon you.

Over the festive period, I send you my warmest wishes. I am also mindful that Christmas can be a difficult time for some, whether through grief, loneliness, or other burdens. Please know that I hold you in my prayers, trusting that God's love surrounds you even in the shadows.

May the promises of hope, peace, joy, and love be real for you this Advent and Christmas.

With every blessing,

Tina

Minister of Word and Sacrament, Norwich Area URC Mission Partnership.

## HOLY COMMUNION FOR YOU AT HOME.....

If you are unable to come to church, but would still like to receive Holy Communion sometimes, one of our Elders, Lynne Howard, has completed training and has now been given permission by the Pastoral Committee of the Eastern Synod of the URC, to do this for you. Please contact your Elder, or Lynne, if this is something you would like to receive.

## Our Prayer Meeting....

Take a while in your busy life to pause and come together with friends to be with God. There is no pressure to pray

aloud, but to relax and absorb the quiet, peaceful and refreshing time.

On the first Thursday of the month, after Community Café, in room 2 at The Hub.

## Hymns for Tina's Services!

Our new minister Tina has asked if the congregation can choose the opening and closing hymns, songs.

Tina will choose the hymns through the rest of the service that fits with the bible readings and theme for the sermon.

We could have a couple of short songs, use hymns we haven't heard for a while, modern or traditional. We usually use slightly different styles at the beginning and closing for the service.

If you wished to borrow a copy of Mission Praise or Rejoice and Sing to remind you and find the number then please do "borrow" and return when used!

Obviously we can't use all the hymns at once so we will keep a record and use as and when, I hope this will be a blessing and also a time to read through some hymns which have inspiring and wonderful words.

Please let me or Ann Ottaway know, thanks

Liz

**Our Memorial Service** was held on Thursday 30<sup>th</sup> October at The Hub, after Community Café. Revd. Carole Pearl led the service and it was again very well received by approximately 25 people.

## Our Remembrance Service at St John's Church

Many thanks to both Revd. Tina and Don M for the very well received service.

£165 was donated in aid of the British Legion.

As the children arrived, we challenged them to write their name backwards, then place a mirror by the side to see how they did.

We gathered to share news together.

We talked about Halloween and who was going to be celebrating it. We learned how it all began years ago, and what it's become and whether the children really think about what we are celebrating, or is it just a bit of fun?

We talked about what some Christians might do instead, like carving smiley faces or crosses on their pumpkins rather than scary things.

Our reading today was taken from the middle of the Sermon on the Mount.

The Sermon on the Mount is considered to be like a handbook on how to live; Jesus is letting the people know how they should live their lives, if they want to follow God. Their lives should be all about love, loving God, loving others. He told them they should be kind to other people, even if people were not kind to them. He taught them about forgiving others and he told them they should help others in need and not to judge others. Most importantly they should be peacemakers.

Then he used, as he often did, something every day, that everyone knew about, to explain what his followers would be like in the world if they lived God's way.

**We read Matthew 5:13-16**

We wondered, what does Jesus mean by being salt?

We asked the kids whether they like salt on their chips. Silly question, but it was unanimous yes! Why? It makes them taste better, of course!

For their snack today, they would have a pack of Walkers Salt and Shake crisps, just like the old-fashioned ones with the blue twist paper filled with salt, except the salt was in a white paper packet, so much harder to find! This meant they could try taste the crisps without salt, and then with, and see what tastes best for themselves.

Salt, in Jesus' time was one of the most sought-after commodities. They even used it to pay wages.

We asked the group how many different things do we use salt for?

We listed many different things.

Jesus uses salt as an example to help the people then, and us now, understand how we are to make a difference in the world.

Jesus wants us to be like salt to bring out the best in others just as salt does in our food. God wants us to affect the world around us; to be out there making a difference. He wants us to help heal people too, maybe just by caring and helping other people.

We watched a video with some salt challenges:

<https://www.youtube.com/watch?v=FM4TpU2uz0g> (we edited out the first 2 minutes or so)

We thought about light; light is also something that we all crave and need.

But People feel drawn to God's light too; we are to show one another God's light and love. We don't have our own light, but we reflect the light of Jesus living in us.

Jesus is saying it's no good having God's light if you then go and cover it up. Jesus wants us to shine to be his light in the world, not to hide away.

Just like a city giving out its light, Jesus wants us to stand up for what matters and stand out, pointing to the goodness of God

Just as salt and light is necessary for life, we can, and we will, by following Jesus, make a difference to this world!

We listened to a new Song – **"Salt"** by Holly Halliwell

[https://www.youtube.com/watch?v=N6iy9zm5Qps&list=RDN6iy9zm5Qps&start\\_radio=1](https://www.youtube.com/watch?v=N6iy9zm5Qps&list=RDN6iy9zm5Qps&start_radio=1)

We sang along and did the actions to **"I am a city on a hill"** by Nick and Becky Drake

## Prayer

*Loving lord Jesus*

*Thank you that you have called us to be hope in your world*

*We think about all the places we go to school, home, clubs, family, friends and we pray we can be a light in these places.*

*Help us be like salt and light to those we meet this week, both bringing change, making a difference and reflecting God's love to the world. Amen*

We tried several different salt challenges to emphasise its amazing properties.

Some of us painted stones writing the name of Jesus backwards to remind us to reflect God's love in the world.

# JAM

Others made Sun catchers.

#### How you can support JAM.....

Please see the Nativity refreshment sign-up sheet found on the table in The Hub porch. We are looking for homemade sausage rolls and packets of small or usual sized mince-pies. If you are able to supply some, please sign up, giving name, item of food and quantity. With many thanks.

## Jammy News session 16<sup>th</sup> November 2025

Our final session this year before we begin rehearsals for The Greatest Story Ever Told (to be performed on Sunday 21<sup>st</sup> at 4pm – please come and support us if you can), was continuing with the Sermon on the Mount – The Beatitudes.

The Sermon on the Mount is a very famous sermon, what Jesus taught that day is considered to be like a handbook on how to live. Jesus is letting the people know how they should live their lives, if they want to follow God, these actions if put into practice form the foundations of the Kingdom of God in the world; When the words of Jesus are put into action, Gods Kingdom comes.

We read from our Bibles Matthew 5:1-11 (International Children's Bible)

“Those people who know they have great spiritual needs are happy. The kingdom of heaven belongs to them.

Those who are sad now are happy. God will comfort them.

Those who are humble are happy. The earth will belong to them.

Those who want to do right more than anything else are happy. God will fully satisfy them.

Those who give mercy to others are happy. Mercy will be given to them.

Those who are pure in their thinking are happy. They will be with God.

Those who work to bring peace are happy. God will call them his sons.

Those who are treated badly for doing good are happy. The kingdom of heaven belongs to them..

We explored together the meanings of each these statements, focussing on being humble, having mercy and what peace means (this being quite timely after Remembrance Day, with several JAM members having been on parade). As part of being a peacemaker we looked at the importance of apologising when we hurt people. Saying sorry is important to show people we love them, and we don't like it when we hurt them. We get our example of a peacemaker from the Bible, of course. Isaiah 9:6 says, “For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be

called Wonderful Counsellor, Mighty God, Everlasting Father, Prince of Peace.” Who is this verse talking about?

Jesus, of course! Jesus is the Prince of Peace. He is our example of how to bring peace and get along with everyone. Jesus died making peace between us and God.

When we follow Jesus by making peace, we are showing that we are children of God, like Jesus is.

We prayed using glass beads, asking God to be with us when we are sad.

We made pipe-cleaner crosses asking God to help us forgive people who may have hurt us.

We blessed each other with oil, drawing a smiley face on each person’s hand.

We then used a prayer taken from URC resources:

Dear Jesus,  
thank you that you bless us – and often when life is hard:  
when we know we are poor in spirit – **you bless us** ,  
when someone that we love has died – **you stay close to us** ,  
when we are humble and meek in your presence – **you bless us** ,  
when we are desperate for things to work out fairly – **you hear us** ,  
when we are merciful to other people – **you bless us** ,  
when we are trying to live pure and holy lives – **you reveal yourself to us** ,  
when we make peace between people – **you bless us** ,  
when people are horrid to us for following you – **you help us to rejoice in your love** .  
Amen

Jesus, our teacher,  
the world says get all you can:  
you say be poor in spirit.

**So do we.**

The world says be tough:  
you say be gentle.

**So do we.**

The world says hunger for more things, more  
money:

you say be hungry for goodness and truth.

**So do we.**

The world says ‘Me, me, me’:  
you say ‘Us, us, us’.

**So do we, Lord, so do we.**

Amen.

We then learned the actions to a new song about the Sermon on the Mount

<https://www.youtube.com/watch?v=kzpO4GVZ6Bw>

We then had our snack and painted some peace stones.

## JAMMY NEWS – SHOEBOX PACKING 2025

November 2<sup>nd</sup> saw us get together to pack up the items collected throughout the year for the shoe boxes, which go to children all over the world who, for a lot of them, will be the only gift they receive this year.

During the year, we have collected lots of items from church members, community café users and other user groups from The Hub as well as generously being given lots from the Co-op Funeral Directors on the Norwich Road, who also collected items for us.

As you can see, we had all sorts of gifts for all ages. We had toys, games, school supplies and stationery items, personal care, hats, gloves, socks, accessories all crammed into the boxes together with a personal note.

By the end of the session, we had packed 30 boxes ready for collection and sending off to end in the hands of a child that needs it.

Our thanks go to all who contributed items, money or helped on the day!

# Advent Packs for St John's Junior School, Hoveton

This year we have managed to procure advent packs from the URC to distribute to 1 class of children at the local school.

As well as JAM families getting these packs, there will be 30 other local families able to use the alternative Advent Calendar card pack produced by the URC this year.

Each card is numbered, starting with 1 for the first day of Advent; the front has a picture and the reverse an explanation of the picture.

As you can see, some pictures are to do with the Nativity story and some to do with Christmas

traditions and the facts on the back provide insights about the pictures.

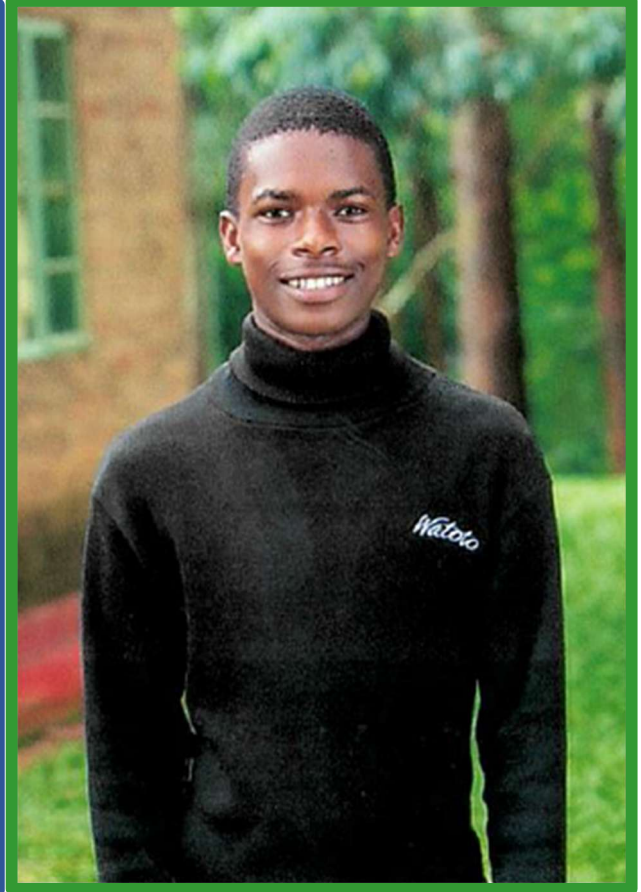

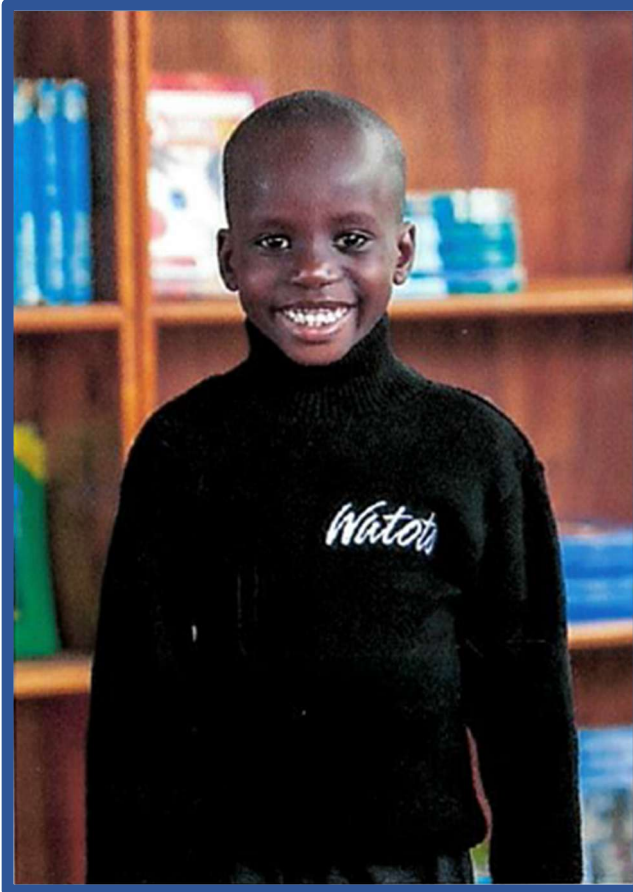

Inside the pack there are also a set of cards to colour and create your own Nativity Scene.

We hope this will be a useful resource for the children to learn about the true meaning of Christmas.

You will also be pleased to know that Tina will be hopefully going to start leading assemblies at St John's in the New Year, Mel will be joining us in January as our Children and Families Worker, so we look forward to an exciting 2026!

## JAMMY NEWS – WATOTO

Meet Garvin (left) and Martin (right) who are the 2 youngsters JAM and the church have agreed to sponsor. They live in a Watoto community, one setup in Uganda to help young orphans develop into educated and well-rounded adults. They do this by also helping single mothers to look after their own child(ren) as well as some of the orphans in a household. In this way each child lives in a home with 7 other children as their Watoto family and they live a normal family life with school, chores, games and fun.

We have to send £28 each month for each child and JAM will be engaging in fundraising activities to ensure they can pay for their £28, the church needs to pay for the other half.

Please come and support the children of JAM at their Nativity:

**The Greatest Story Ever Told – a Nativity Pantomime Sunday 21<sup>st</sup> December at 4pm** afterwards we will have a bring-and-buy sale to raise money for Watoto, we will also be providing mince pies, sausage rolls and mulled wine, so please come along and enjoy time with JAM at Christmas.

President Chris Billing  
Secretary Diane Harber

12<sup>th</sup> November 2025

The members of Wroxham Bure Valley Rotary Club send a kind thank you to the Norwich Area United Reformed Church members, especially Wroxham & Hoveton and Ipswich Road Churches for the wonderful, generous collection of warm winter coats donated to Wrap Up UK. You gathered so many coats again this year we were delighted.

This year we collected 700 coats in excellent condition, they have all been distributed to charities in Norwich and Gt. Yarmouth including YMCA, Leeway, New Routes, Dawn New Horizons and many more. I delivered coats myself and received appreciation and thanks wherever I went.

It is very comforting to know these coats will keep many families experiencing difficult times warm and cosy this winter.  
Thank you so much,

Diane Harber

43 shoeboxes have been donated this year both to The Hub and online.

A super joint effort between the children of JAM, the congregation of our church and member of our community.

### Don's message and Shoebox blessing from our Service

It is very nice this morning to be part of blessing our shoe boxes before they set off on their journeys to deserving children around the world.

Back in 2019 I was deployed as part of a small NATO evaluation team to carry out a capability inspection of the air transport wing of the Ukrainian Air Force. We were accommodated in the City of Zhytomyr close to the airbase about 80 miles west of Kiev. On the Sunday afternoon we had some downtime and I took the chance to explore the city. I visited many very beautiful churches and as I came close to the city hall I could hear the unmistakable sound of happy children laughing and singing. The doors opened and dozens of joyful children came out all smiling and very excited, each one holding a Samaritan's Purse shoebox that they had been given. Coming from a church that participates in the program every year, it made me feel extremely happy to see the pleasure receiving a box had given them.

Ukraine even before the war was a very poor country, but I often think and wonder in the almost four years since 'Vlad the Bad' invasion what has become of all those happy innocent children and I pray that the message of the Lords love through the shoeboxes will stay with them and guide them to a successful and loving future.

### Let us now bless our shoeboxes for this year:

Heavenly Father,

We come before you with hearts full of gratitude and love, lifting up these Christmas shoeboxes and all the hands that have prepared them with care. Lord, you are the giver of

every good and perfect gift, and we ask that you bless these small offerings as they make their way into the hands of children who need to feel your love and presence.

Father, we thank you for the opportunity to be part of your work, to share the joy of Christmas and the message of Jesus Christ through these simple gifts. We pray that every item inside these shoeboxes would bring happiness, comfort, and hope to the children who receive them. May the toys bring laughter, the school supplies bring learning, and the hygiene items bring health and dignity. But most of all, Lord, may these shoeboxes be a vessel of your love, reminding the children that they are seen, known, and cherished by you.

Lord, we pray for the children who will receive these gifts. You know their names, their stories, and their needs. We ask that you surround them with your protection, provide for them in ways beyond what we can imagine, and fill their hearts with joy and peace. If they do not yet know you, we pray that these shoeboxes would be a seed planted in their hearts, leading them to the saving knowledge of Jesus Christ. May they come to understand the true meaning of Christmas—that Jesus, our Saviour, was born to bring light into the world.

We also lift up the families of these children, Lord. May these gifts be a blessing not only to the ones who receive them but to their entire households. May it be a sign of your provision and a reminder that they are not alone. If they are struggling, Lord, bring them comfort. If they are in need, provide for them. If they are searching, lead them to your truth.

Father, we pray for the journey of these shoeboxes. As they travel across cities, countries, and continents, we ask for your divine protection over them. Guide them safely into the hands of the children you have chosen. Bless the volunteers, the organizers, the transporters, and all those involved in making this mission possible. Strengthen them, encourage them, and let them see the fruits of their labour in the lives that are touched.

Lord, we also pray for all the other children receiving shoeboxes around the world. May each one feel the warmth of your love through these gifts. May they know that they are not forgotten, that they are deeply loved by you, and that they have a purpose in this world.

Finally, Lord, we thank you for the greatest gift of all—Jesus Christ. As we celebrate his birth, may we be reminded of the joy, peace, and salvation that he brings. May these shoeboxes be a reflection of that love, a small token of the greatest gift ever given.

We place these shoeboxes, the children, and this mission in your hands, trusting that you will use it for your glory. May your love shine brightly through this act of giving, and may hearts be drawn closer to you.

In the precious name of Jesus, we pray.

Amen.

God of faithfulness, Your generous love supplies us with all that we need. We know that all we have is yours. We celebrate the work that you have done in Norwich and Norfolk through foodbank by means of the generous support of many people.

Through foodbank we are able to offer food to the hungry, a drink to the thirsty and compassion to the strangers in our city and county.

## 'Listening to Winter' by Macrina Wiederkehr

The trees have shed their colourful autumn robes.

Winter is raging through the dark, empty branches  
and I am listening.

I am listening to the roar and to the quiet of winter.

I am listening to a beauty that sometimes remains  
unseen.

I am listening.

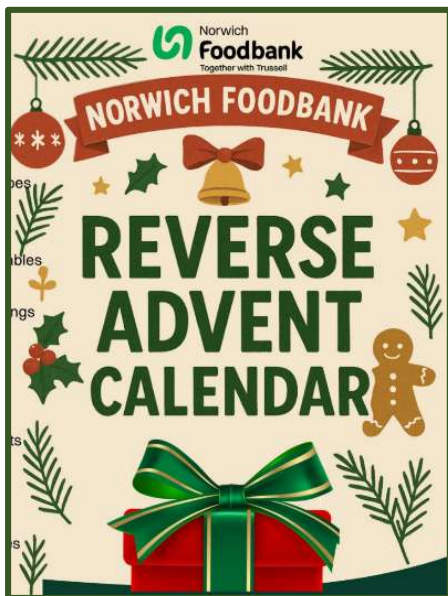

I am listening to the seed hidden in the earth.

I am listening to the dark swallowing up the light.

I am listening to faith rising out of doubt.

I am listening to the need to believe without seeing.

The idea behind this project is that during the run up to the 1st December, people / groups / families donate one item a day for 24 days from a foodbank list and then the 'whole' donation is brought to The Hub by Sunday 23<sup>th</sup> Nov. From where all the contributions have been delivered to the Foodbank Warehouse in Norwich on or around 27<sup>th</sup> November, to give time to process and distribute items and "goodies" to the Foodbank clients before Christmas.

Many thanks for all the boxes and bags of necessary and Christmas Foodbank items donated by members of our church and which were blessed by Revd. Carole P in our service.

**Hillside Animal Sanctuary**, Frettenham, and West Runton, Norfolk.

Hillside Animal Sanctuary is home to over 4000 animals, and is one of the UK's most successful campaigning organisations for the animals' cause. Hillside is home to over 2500 horses, ponies, donkeys and mules alongside rescued sheep, pigs, rabbits, ducks, hens, goats, and many more. Hillside was formed after witnessing the plight of the battery hen and has since helped and campaigned for animals in need, in particular those who are abused within the intensive factory farming industry.

There is also an on-site museum where you can relive the farming experience from days gone by, and children can play within the activity areas.

Subject: **More teaching on climate change announced!**

From: Freddie at Teach the Future <hello@teachthefuture.uk>

We've spent six years campaigning for education on climate change and sustainability to be integrated across all subjects and key stages.

Today (Nov 5<sup>th</sup> 2025), the Curriculum and Assessment Review published their report with their recommendations on changes to what we learn at school and college in England.

We may not have won on getting climate change and sustainability embedded into all subjects but our continuous advocacy has been a big part in shaping the changes to come:

Education on climate change and sustainability is **listed as one of five key skills/knowledge areas that education** should prepare young people with

Climate education and sustainability is to be **more strongly integrated throughout citizenship** (to become statutory from KS1), sciences, and geography, and sustainability within D&T

There's a **new enrichment entitlement** which includes access to nature and outdoors

Subject content will have **more focus on solutions of climate change**, not just the causes and impacts

We now need to keep up the pressure on government to implement these recommendations - and quickly. We won't stop campaigning until every young person has access to solutions-focused, justice-driven climate and nature education across every subject - transforming the face of education to shape a fairer, greener future.

***Do you know.....?***

***How many extra tonnes of rubbish does the UK generate during Christmas?***

Over 3 Million Tons

That's a lot of wrapping paper, tape and decorations which cannot be recycled kerbside.

This year, how will you try to reduce your contribution to this amount?

Here are a few tips.....

### **Wrapping paper**

Did you know that we throw away a whopping 227,000 miles of wrapping paper every year in the UK? That's enough to reach the moon!

Use recyclable wrapping paper where possible. Remember if it's got foil or glitter on it then it can't be recycled and could contain plastic.

If you're not sure, a quick and easy way to check is the scrunch test. Scrunch the paper into a ball. If it stays closed, it's recyclable - though any plastic tape, ribbons and tags need removing first.

If it springs open again, it can't be recycled - but try to think of ways to reuse it before resorting to the general waste bin. Can you use it as wrapping again, or repurpose it for crafting?

Unfortunately, tissue paper and crepe paper aren't recyclable either, the paper fibres are too short to be recycled and turned into anything else. Where possible keep these to be reused another time. Tissue paper can often be reused and if made from recycled materials, it can eventually be composted.

Lots of gift packaging, - gift bags and boxes very often have plenty of life left in it after being used once, so try to reuse them wherever you can.

### **Bows**

Instead of adding plastic ribbons to your gifts that will end up in landfill, why not use a more sustainable alternative like a fabric bow that can be kept and re-used on future gifts.

### **Tape**

You can now buy plant based, biodegradable clear sticky tape, in addition to sustainably sourced, heavy duty and easy to tear parcel tape.

### **Christmas Lights**

500 tonnes of Christmas lights are discarded every year in the UK. If they are still in working condition, please give them away or donate them to a charity shop e.g. The Lions Shop in Wroxham. Then switch to using LED lights on your Christmas tree – you'll be using less energy but make sure you switch them off at night!

Creator God

Thank you for scattering stars in the heavens like sequins on a gown.

Thank you for the incredible marine, avian, reptilian and mammalian life that we have barely begun to comprehend yet are already destroying through our selfish behaviour.

Help us to stop seeing it all as shoes, bags, clothes, medicine and food.

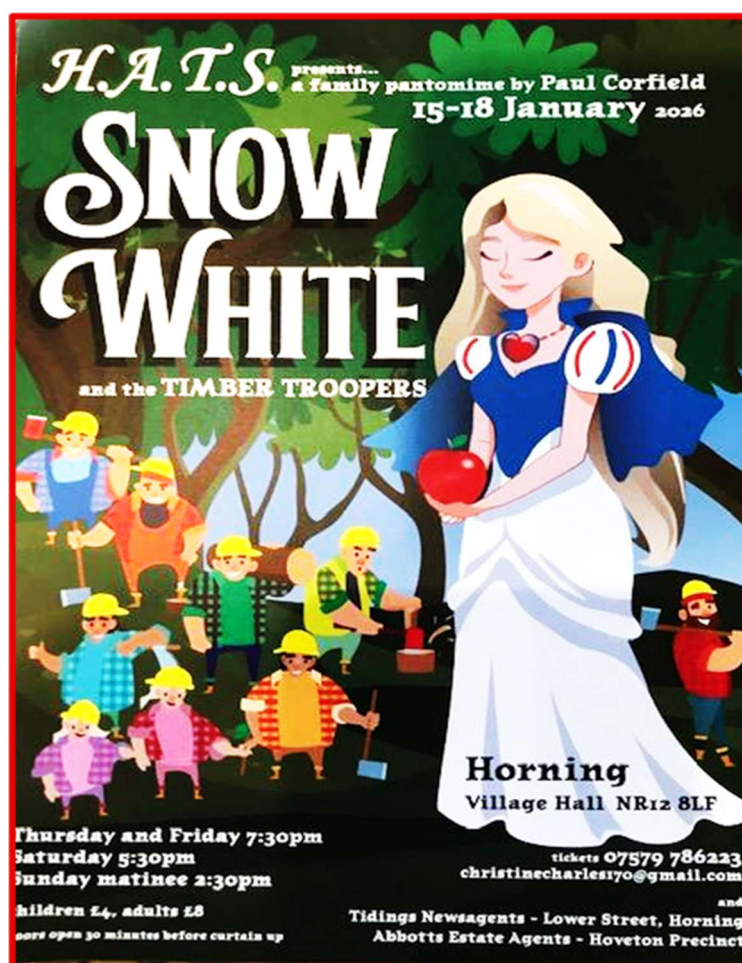

Teach us to live in harmony with your creation, so we stop burning the world to the ground. Amen.

### Don't forget to have a go- Could you design a logo?

At the recent Mission Partnership Leadership Team meeting, it was agreed that we need a **logo for the Norwich Area URC Mission Partnership**-a logo which all 4 churches can put on their newsletters, websites, noticeboard, publicity, writing paper etc-something which conveys that we are all part of the Norwich Area URC Mission Partnership of 4 churches. You don't need to create it on a computer, it can be designed by hand and then we can arrange to recreate it on a computer or digitise in another way. Please send your suggestion to me by 30th November and I'll also try to answer any queries about it. The entries will be looked at by the Mission Partnership Leadership Team/Joint Ministry Group. The prize for the winner is seeing their logo in print and maybe on noticeboards as well! **I have still only had 2 submissions!** Audrey E

## Norwich Cathedral choir releases festive album

Enjoy carols sung by Norwich Cathedral Choir on a new album that has been recorded to celebrate the festive season.

*Lord of the Dance: Christmas Carols from Norwich Cathedral* has been released on all major streaming platforms and features the choir singing 20 carols ranging from *Away in a Manger* to *The First Nowell* and *Sussex Carol*.

The album was recorded in Norwich Cathedral's Nave in June this year, with the choir joined by

music ensemble Onyx Brass and David Dunnett who retired as the Cathedral organist this summer after an incredible musical tenure of 29 years.

Norwich Cathedral's Master of Music Ashley Grote, who conducted the choir during the recording, said: "I'm really thrilled with our new Christmas album, *Lord of the Dance*, which is a collection of some of the best-loved carols, some in new arrangements.

"The combination of the Cathedral Choir, the newly rebuilt organ, along with award-winning ensemble Onyx Brass is a very special sound.

"It was wonderful to work on this project with Norwich-based independent record label Deux-Elles Classical Recordings; they have managed to capture a sense of what it is like to be in Norwich Cathedral at Christmas time.

"I hope that the album will bring a lot of joy to people this Christmas!"

The title track is a new arrangement of *Lord of the Dance* by Ashley who has also created new arrangements of *O Come, Emmanuel*, *Away in a Manger* and *Silent Night*. Also featured on the album are new arrangements by leading choral composer Bob Chilcott and popular arrangements by Sir David Willcocks and contemporary works by Sally Beamish and Will Todd.

The album was the first recording at the Cathedral since the Cathedral's historic pipe organ underwent a major rebuild in 2023, and the cover artwork celebrates the organ by featuring the special star – known as a cymbelstern – that decorates the top of organ.

About 50 singers from Norwich Cathedral Choir perform on the album, including choristers, lay clerks and choral scholars.

The album has been recorded and produced by Norwich-based independent record label Deux-Elles Classical Recordings. It was made possible due to funding from The Statham Society, Norwich Cathedral's group of dedicated music supporters, and a generous legacy.

The CD album of *Lord of the Dance: Christmas Carols from Norwich Cathedral* is available to buy now for an introductory price of £10 from Norwich Cathedral Shop and online at <https://cathedral.org.uk/gift-shop/>

The album is available on all major streaming platforms including Spotify, Apple Music, Apple Music Classical, Amazon Music and Presto Classical.

## A BLESSING AS YOU JOURNEY INTO THE NEW YEAR

May your eyes be opened to the wonder of the daily miracles around you  
and your sense of mystery be deepened.

May you be aware of the light that shines in the darkness,  
and that the darkness can never put out.

May you be blessed with companions on the journey,  
friends who will listen to you and encourage you with their presence.

May you learn to live with what is unsolved in your heart,  
daring to face the questions and holding them  
until, one day, they find their answers.

May you find the still, quiet place inside yourself  
where you can know and experience the peace that passes understanding

May love flow in you and through you to those who need your care.

May you continue to dream dreams and to reach out into the future  
with a deeper understanding of God's way for you.      Amen

### **Church Member's Christmas Card Post Box.....**

Continuing from the success of the church post box, Colin is again organising the collection, sorting and distribution of our church Christmas cards. Unfortunately due to the logistics of this operation, this box is only for Christmas Cards addressed to Church Members.

The box will be located in Room 2 and will be emptied during the last Sunday service before Christmas. After the service on that day your cards will be ready for collection.

Please note.....

It would be appreciated if you would write clearly with no abbreviations or nick names – first name and surname is best.

Thank you Colin.
